The selection committee will analyse if the application was submitted in English. Applications not submitted in English will be excluded from the selection procedure.

Applications satisfying all these conditions will then be initially assessed against the **selection criteria** under Section 3.

5.2 Initial assessment of the eligible applications

The selection committee will assess each eligible application with reference to the selection criteria (“Essential” and “Advantageous”) described in Section 3.

The remaining candidates will be notified by email that their application will no longer be taken into consideration to this selection procedure.

5.3 The assessment phase

Following the initial assessment of the applications, the most suitable candidates for the post will be invited to the assessment phase, which will be held online. The assessment phase will be conducted in English.

This phase involves an interview with the selection committee and one or more test(s) related to the field of the vacancy. This phase will enable the selection committee to carry out an assessment of the pre-selected candidates according to the selection criteria described in Section 3.

Details of the date and time of the assessment will be communicated to the shortlisted candidates in due time.

5.4 Verification of documents and scrutiny
